Records fall as Pioneer Football League names 567 student-athletes to 2014 Academic Honor Roll

ST. LOUIS, Mo. – The Pioneer Football League has named a record 568 student-athletes from its 11 member institutions to the Fall 2014 PFL Academic Honor Roll.

A complete listing of all student-athletes named to the honor roll, listed alphabetically by member school, follows this release.

The now 11-team league averaged a record 51.5 student-athletes per school named to the honor roll, the third consecutive year its average has increased. The record average was boosted by Dayton (76), Drake (68) and Marist (48) each posting program record totals. In addition, Butler (64) and Campbell (47) each posted its highest total since the 2011 honor roll.

Pioneer Football League athletic director and coaches established the honor roll as a way to recognize the league's outstanding student-athletes. The academic honor roll consists of student-athletes who participated in football at member institutions during the fall semester and posted a 3.0 grade-point average or higher during the semester while enrolled full-time in accordance with NCAA rules.
